

Donate to Davenport House Museum

We welcome donations at any time, either for general support or targeted to a particular program.

Operating Support - used for the general needs of site maintenance, preservation, programs, and presentation to the public

Capital Support - used for special long-term projects, such as construction and repair of buildings, adding to the collection, or maintaining the gardens

Endowment - our endowment is invested, and an annual percentage is withdrawn for operational needs. The principal grows, and supports the long-term existence of the site

I would like to make a donation to **Davenport House Museum**.

Name(s): _____

Address: _____

Phone Number: _____ **Email address:** _____
